From All Saints' Team

Well Winter may not be over yet but Spring is definitely in the air as I write this. Lent begins this week and if anyone would like to join us, the Ven Brian Russell will be leading a Lent Course which we will share with people from St Helens, Clifford Chambers. Meetings will be on Tuesday afternoons in various locations starting on 12th March so please contact me if you would like more information. We then have Mothering Sunday in the middle of Lent and there will be an All-Age (non-communication) Family Service at All Saints' at 9.30 a.m. on the 31st March. Unfortunately it is the day the clocks change but if you have children I am sure they will bring you an early breakfast in bed and you will be glad to escape the crumbs and come and join us. The children have been invited to help with the service and there will be flowers for the children to give their parents.

The All Saints' Annual Meeting will be held in the church after the 9.30 a.m. service on 24th March. All are welcome.

A service of Meditation will be held on Good Friday at 9.30 a.m. and a service of Holy Communion at 9.30 a.m. on Easter Day, by which time the Flower Team will have decorated the church to celebrate Easter, always lovely to see. We are also hoping to organise an Easter Egg Hunt for the children during the Easter weekend.

The All Saints' Arms will be popping up again in April so plenty going on and do please come and join in.

LUDDINGTON VILLAGE HALL SPRING 2019

Thank you to everyone who attended the February Quiz and a big thank you also to Mark and Wendy Hughes for their hard work in producing and running it.

We enjoyed 'Mamma Mia Here We Go Again' at the February Film Night but it was poorly attended. If there are any films that you would like screened please let us know because we want to increase our Film Club membership and numbers at the screenings. Perhaps you would like popcorn or food to be available? Any ideas would be very welcome to help us improve this facility. The cinema equipment was expensive and a large investment for the Hall, we would very much like to maximise the enjoyment of the cinema equipment, cover the licensing costs and also make a little profit.

The next Film Night is on Saturday 30th March and we would welcome film requests. There are new dvds available following recent national cinema screenings. Please let us know if there is anything in particular you missed at the cinema and would like to see screened at the Village Hall.

The Committee now has 2 new members in response to Sue's written request for help last month. We are always looking for help and ideas to maintain our lovely Village Hall to the highest possible standard. If you are interested in getting involved please ring or email Sue Brayshay.

Our current project is to refurbish the cloakrooms and entrance lobby. Quotations are underway for the work and progress updates will follow in the next Luddington Newsletter.

Please ring Sue Brayshay on 01789 750674 or 07969 697063 with ideas for the Film Club or future events you would like in the Hall. E-mail: sue.brayshay@hotmail.co.uk

Luddington Parish Council

Some residents may have spotted on Warwickshire County Council's Roadworks App that work on the Bordon Hill Roundabout is due to start on 8th April for 12 months. Luddington Parish Council have queried this and Stratford District Council have advised:

"Although consented through the planning application for Shottery, Warwickshire County Council will be carrying out the works themselves in respect of this roundabout. Once technical approval is in place, WCC will need to go out to tender and select the contractor."

Luddington Parish Council will be monitoring the situation and have asked for information relating to the Traffic Management Plan that Bloor/Hallam are legally required to submit as the stopping-up of the Evesham Road due to this construction may have a serious impact on increasing traffic through the village and Luddington Road.
